

Timestamp	Email Address	How effective is the overall layout and navigation of the GUI?	Does the design align with user needs and expectations?	If Somewhat or No, please explain why.	Is there consistency in the design elements (buttons, text, spacing, etc.)?	What is one thing you liked about this project?	What is one key area for improvement?	Any additional comments or suggestions?	Overall, how would you rate this GUI?
2/17/2026 7:49:23	opeloge.ahsam@marcellin.school.nz	5 Yes			Yes	The general design is really good.	Maybe make a working scoreboard		5
2/17/2026 11:56:28	astyn.tuiletufuga@marcellin.school.nz	4 Yes			Yes	its pretty pretty. hehehe hahahahaah	the bot is so dumb its hard tie with it	maybe add a consecutive wins counter? also i wanna see the scoreboard working	4
2/17/2026 11:59:21	zane.abad@marcellin.school.nz	4 Yes			Yes	The style of the project	Hmm maybe, the computer difficulty, and the delay for the points		4
